

# Martin Mwangi

Full Stack Software Engineer

mwangimartin1904@gmail.com +254700207054

thereactivedeveloper.com github.com/marville001

## Professional Profile

I enjoy being challenged and engaging with projects that require me to work outside my comfort and knowledge set, as continuing to learn new languages and development techniques are important to me and the success of the organization and team am working with. I am also an enthusiastic, self-motivated, responsible and hard-working person.

## Relevant Experience

### Junior Software Developer @ TheJitu.com

Oct 2021 - Present // Nyeri KE

- Write modern, performant, and robust code for a diverse array of client and internal projects.
- Work with a variety of different languages, frameworks, and DevOps tools such as JavaScript, TypeScript, React, Angular, Node.js, Express, Docker, AWS, etc.
- Communicate and collaborate with multi-disciplinary teams of engineers, designers, producers, clients, and stakeholders on a daily basis

### Software Developer Intern @ TheJitu.com

Jul - Sep 2021 // Nyeri KE
